What is your potential income?

Our sales projection is between
\$1,000 and \$2,000 monthly per store.

This means between
\$12,000 and \$24,000 annual sales per store.

Based on these facts, your yearly income can be
from \$4,800 to \$9,600 annually.

You will get your commission
by check at the end of each month.

When you sign the agreement, you will have your own account on our website.

Your store will have a unique Store code which you will use to place orders.

This way, you will be able to track your sales and commissions.

Orders will be placed online and you can track your sales and status of your payments using your secure account.

How Will You Place Orders?

We can receive orders in 2 methods.

1- Your customers can pick up brochures and business cards from your store and place the order online by themselves.

They will use your store code when placing the order and the order will be associated with your account on our website. You will be able to track your orders and commissions in your account, in realtime.

2- You will get images from your customers and place the order yourself (recommended).

(This way you will only pay the production total and you will receive your payment from your customer instantly.)

HOW YOU CAN GET IMAGES FROM YOUR CLIENTS FOR ORDER

Images Can Be Received In Multiple Ways

1. We will provide you a unique email address that you can use to receive images from clients' smartphones. You can place the order once you receive the images to your email address.

2. You can use flash drives or memory cards on your computer to get images from your clients. After you receive the images, you can place the order on our website.

3. If your clients have printed hard copies, you can mail them to us and we will scan & place the order for you.
